Dear Sir/Madam

The 8<sup>th</sup> ENSSEE Forum, incorporating the biennial forum of the International Council for Coach Education (ICCE), took place at the University of Limerick, Ireland 1-4 September 2005. The National Coaching and Training Centre hosted the forum. The theme of the forum was *Sport and Physical Activity in Europe: Preparing and Sustaining Effective Professionals and Volunteers*. The forum explored how the role of sport and physical activity in the social and economic development of the European Union could be maximised, with an emphasis on the preparation and qualification of effective professionals and volunteers.

This is to confirm that Hugo Louro attended the 8<sup>th</sup> ENSSEE forum and presented the following posters at the forum:

- “Analysing the football coach’s behaviour in the process of training”: Louro, H.; Oliveira, L.; Crispim-Santos, A.; Rodrigues, J. & Costa J.
- “Partial Exercises for the lower limbs in the butterfly technique it’s implications in swimming pilot Study” Louro, H.; Lima, J.; Moreira, A. & Silva, A.
- “The Football Coach Behaviour in the Training Process”, Louro, Hugo; Oliveira, Luís; Rodrigues, José; Crispim-Santos, Alexandre & Costa, João.

Yours sincerely

Fiona Larkin  
Technical Coordinator
